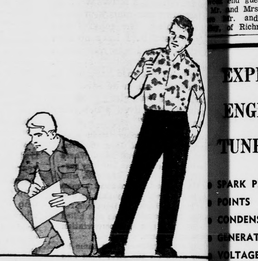
Before you put up with another uncomfortable winter

why not call an Electric Comfort Conditioning Contractor? (For the name of one near you, call VEPCO.)

He'll come to your house and tell you what kind of electric heat best suits your needs.



He'll give you an estimate on installation cost and some pleasant facts about operating expense.

Of course, you're under no obligation. We encourage you to compare cost with other heating systems.

If you choose electric (we believe you will!) your Comfort Conditioning Contractor will handle the complete installation for you.

He's also authorized to qualify you for VEPCO'S $125.00 cash allowance on electric heat installation.

Then you'll enjoy the cleanest, most modern, most trouble-free heating system available... flameless electric heat!

Get the full story on flameless electric heating. Find out how much you can save with VEPCO's lowest homewide rate by including an electric quick-recovery water heater in your set-up. When you compare advantages—and economy—chances are you'll do what over 6,000 other homeowners in the VEPCO area have done. Go electric!

Vera SCA Meets

The regular monthly meeting of the Vera S.C.A. was held on May 19,1964. The meeting was called to order by the president Ronald Kanipe. Kathy Ferguson read the Bible and Mr. Dickerson led in Prayer.

The roll was called and the minutes read. Mr. Dickerson then commended us on our presentation for the P.T.A.

We then had reports from the committees. Afterwards the meeting was turned over to the program chairman.

After the program, the meeting was adjourned by the president until the last Friday in May.

When The Hands On Life's Clock Are Still

The Clock of life is wound but once
And no man has the power
To tell just when the hand will stop
AT late or early hour.
Now is the only time you own!
Work, pray, with a will
Place not faith in tomorrow—for
The clock may then be still.
